

Marco The Magician

"Magician, mind reader and keynote speaker"

Close-Up Magic | Corporate Events | Mentalism

Biography

Whether you're planning a birthday party, corporate event, school assembly, library program, holiday party, fundraiser, or family celebration... There's always that little voice in the back of your mind asking... You've invested too much time, money, and effort to let that happen. You deserve entertainment that completely takes over the room-so you can actually relax and enjoy your own event. For more than 26 years, Marco has been helping hosts turn ordinary events into unforgettable experiences. People are turning toward you and smiling because they know... A room full of people experiencing something impossible together. And they'll remember YOU as the person who made it all happen. He knows exactly how to capture a room and keep everyone's attention from beginning to end. "If your audience doesn't enjoy the show... I'll refund your dough." Marco typically arrives 30-60 minutes before showtime so everything is ready well before your guests arrive. Many families reserve their entertainment months in advance. And they'll remember your event as one of the most fun celebrations they've ever attended.
