

Mario Morris

"Award-winning Welsh street magician and storyteller"

Based in Cardiff | Close-Up Magic | Kids & Family

Biography

Mario Morris, the Bardic Magician, is a performing magician, storyteller, creator and teacher whose performances blend wonder, humour and Celtic-inspired enchantment. First Place Winner of the Welsh national Merlin award for the best Street Magician of Wales, he draws on a rich history of street theatre, magic and storytelling, and founded Magic Wizardry - The School of Magic and Wizardry in Glastonbury.

His work runs from close-up magic to stage shows at festivals and events, and he is a natural fit for cosy, fireside gatherings where the story matters as much as the trick. A Grand Master of Magic & teaching praised his "mastery of both indoor and outdoor Magic" as "really wonderful". Alongside his tribe, Mario also hosts sacred circles, retreats and a wide variety of workshops.
