

Mark Calabrese

"New York close-up mixing street-honed sleight with intimate comedy"

Based in New York, NY | Close-Up Magic | Comedy Magic | Mentalism

Biography

Mark Calabrese is a New York close-up magician, comedy performer, creator and consultant whose sleight of hand was honed through professional street work at South Street Seaport. His current representation offers corporate events, private celebrations, fundraisers and galas, and documents television work including Penn & Teller: Fool Us, a recurring one-man comedy-magic show and consulting for Criss Angel. Ordinary objects, cards and coins drive a charming, highly interactive style designed to happen in spectators' hands. The agency provides a current booking route, though research did not find a performer-owned website, exact home city or direct contact.
