

Mark Doetsch

"Chicago-area conjuring balancing club leadership with uncanny close-up mystery"

Close-Up Magic | Mentalism

Biography

Mark Doetsch is a Chicago-area magician and current president of the Conjurers Corner Magic Club in Mount Prospect, Illinois. The club's official site celebrates his Fool Us trophy, lists continuing meetings and performances, and publishes direct membership contact details, establishing recent professional-community activity. Doetsch also appears in specialist magic sources connected with atmospheric and bizarre magic props. Research did not locate a performer-controlled website, full current biography, exact home city, public show calendar or clear evidence that he accepts private and corporate engagements. His FindMagic profile should remain factual and non-bookable until confirmed.
