

Mark Mauricio

"Hawaii family magician"

Close-Up Magic | Comedy Magic | Stage Illusion | Stage Magic

Biography

Magician Mark Mauricio presents MAGIC LIVE, a family magic show that travels across the beautiful Hawaiian Islands as Hawaii Magic Shows.

The act is wholesome and entertaining, suitable for the entire family, built from humor, audience participation and mind-blowing illusions that invite everyone watching to BELIEVE. Children and adults are drawn into the action together rather than left to watch from a distance, and the aim throughout is to bring joy and wonder to audiences of all ages, with high-quality performances that create lasting memories. It is magic offered in the spirit of Mark's own line: the more time spent trying to figure it out, the less time there is to enjoy it, and a reminder that 'Nothing's Impossible'.
