

Mark Shortland

"British comedy illusion built for lively audience participation."

Based in London, UK | Comedy Magic | Mentalism | Stage Illusion | Stage Magic

Biography

Mark Shortland is a British magician, comedy performer and lecturer with more than twenty years entertaining audiences worldwide. His official site documents sellout theatre work, luxury cruise engagements, Magic Castle appearances and two different Penn & Teller: Fool Us performances. Shortland blends illusion, suggestion, comedy and audience participation in stage shows, and also offers interactive virtual programs, professional magic lectures and bespoke faith-based entertainment. The performer-controlled site provides active enquiry controls for events of varied sizes and all ages. A dependable current home city and direct public booking email are not stated.
