

Markus Tervo

"Close-up magician Helsinki"

Based in Helsinki | Close-Up Magic | Comedy Magic | Stage Magic

Biography

Markus Tervo is a Helsinki magician, six-time Finnish champion and former president of the Finnish Magicians Association. His current official site offers interactive stage and close-up performance for companies and private hosts throughout Finland, custom-built effects for branded events and one-to-one lessons at his magic theatre. More than fifteen years of professional work, international lecturing and a Fool Us appearance support a mature current career. Tervo emphasizes willing participation and a relaxed atmosphere rather than forcing reluctant volunteers onstage. A direct business email and phone number support active bookings from Helsinki and across Finland.
