Biography

Martin le Magicien is a Québec-based performer who has been entertaining audiences for more than 25 years, presenting over 200 shows annually. His interactive performances combine visual magic, comedy, card magic, mentalism and one of his signatures: the appearance of live doves and a rabbit.

Equally at home entertaining children and adults, Martin performs everything from close-up magic at receptions, weddings and corporate events to stand-up shows for schools, family celebrations and larger gatherings. A primary-school teacher as well as a professional magician, he brings extensive experience working with young audiences. Martin has also performed at the Festival de Magie de Québec, reaching the finals of its children's magic competition during the festival's inaugural edition.
