

Matt Marberry

"Corporate comedy magician"

Based in Orlando | Close-Up Magic | Comedy Magic | Mentalism | Stage Magic

Biography

Comedy magician Matt Marberry mixes quick wit, crowd interaction, and mind-blowing magic into a nonstop ride of laughs and surprises. Every stand-up set is shaped around the room it plays in, so no two performances are ever the same, and his close-up mingling magic brings sleight-of-hand and off-the-cuff comedy straight to small groups with no stage needed.

He also builds custom corporate presentations that carry a company's message while keeping the audience laughing, tailored to the team, the goals and the themes at hand - something like a TED Talk with punchlines and playing cards. The act fits theme parks, cruise ships, holiday parties, trade shows, receptions and conference stages alike. Clients describe him as a true professional whose act is engaging, interactive, and captivating for audiences of all ages.
