

Max Davidson

"New York City magician and mentalist"

Based in New York | Close-Up Magic | Comedy Magic | Mentalism

Biography

A magician and mentalist based in New York City, Max Davidson performs nationwide, delivering what he calls world-class magic show experiences. Google, Apple, Under Armour, IRONMAN and Lindt have all trusted him with their audiences, and he has performed at The Magic Castle.

That mix of corporate work and magic-world credentials shapes the act: sleight of hand and mentalism presented for a room of guests, with people drawn into the effects rather than left watching from a distance. It is magic that suits company parties, brand events, galas and private celebrations, and Max travels from New York City to events across the country.
