

Max Zawacki

"Austin corporate magician and mentalist"

Based in Austin | Corporate Events | Mentalism

Biography

Max Zawacki blends classic sleight-of-hand with mind-bending mentalism, mixing close-up deceptions with impossible divinations of thoughts. He is recognized for creating interactive, spontaneous presentations that put the magic directly in the hands of his audience, and his corporate clients include PayPal, ConocoPhillips, J.P. Morgan Chase, Bank of America, and New York Life.

He has headlined at the award-winning Chicago Magic Lounge and the Tobin Center for the Performing Arts in San Antonio, and has been featured on both ABC and NewsNation. At cocktail parties and receptions, his mingling magic moves from group to group as a natural ice-breaker; The Signature Show works as after-dinner entertainment for corporate events and fundraiser galas. Based in Austin, he performs at private parties and weddings across Central Texas and nationwide.
