Based in Las Vegas | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Performing as MentallyHyp, Paul David Carpenter is the world's only AI Magician, using artificial intelligence as a force of perception, belief and misdirection, with live magic and mentalism that frame the machine as oracle or unreliable narrator.

His resume spans Off-Broadway theater, Fortune 500 corporate entertainment, two world records and tours across Australia, Malaysia, Indonesia, Israel and Canada, plus appearances on Good Morning America, VH1 and Criss Angel commercials. Ranked among the top 100 greatest magicians of all time on Ranker, he works in three formats: a 15-minute keynote opener for conferences, a 45-minute signature show for galas and a 90-minute full production for theatrical events, serving the Strip, LVCC, Henderson, Summerlin and worldwide via virtual shows.
