

Michael Andrew

"Comedy magician and mind reader"

Comedy Magic | Corporate Events | Mentalism

Biography

Comedian, magician and mind reader Michael Andrew doesn't just perform to his audience - he performs with them. Guests become collaborators, strangers become co-conspirators, and every show is shaped by the people in the room, so no two audiences ever get the same evening of interactive comedy and mind reading.

That approach has led to appearances at the Miami Improv, the Dania Improv, the Dade County Comedy Olympics and the Coconut Grove Comedy Festival, and to praise as "an unforgettable addition to every lineup that always delivers". Michael builds the format around the occasion and the space, whether that is a corporate holiday party, client event or awards night, an adult birthday, anniversary or wedding-weekend gathering, a college program, or a ticketed night in a small theatre.
