

Michael Diamond

"International illusionist and close-up magician"

Close-Up Magic | Stage Illusion

Biography

Illusionist Michael Diamond has been providing professional magical entertainment for all ages since 1989, and works at every scale the craft allows. That range runs from close-up magic performed for two or three people around a table to large-scale illusion shows for audiences of thousands.

An international performer, Michael has appeared in France, Spain, Finland and the USA, as well as all over the UK. Because he adapts to the room rather than the other way round, he is equally at home in an intimate setting where the magic happens inches from the guests, on a full stage, at outdoor events and at children's parties - a single performer covering the whole spread of occasions across Liverpool and the rest of the country.
