*"California card magic engineered for intimate impossible moments"*

Based in San Francisco | Close-Up Magic | Corporate Events

---

## Biography

Michael Feldman is a California close-up magician and creator focused on card magic, sleight of hand and original working material. His performer-controlled site maintains an event enquiry page, a public phone number and a product catalogue, and lists service across San Francisco, Oakland, Berkeley, Palo Alto, Mountain View, San Jose, Los Angeles and San Diego. Feldman appeared on Penn & Teller: Fool Us and continues to publish material for magicians. The evidence supports active event work across California, but it does not establish one current home city or a public booking email.
