Biography

Award-winning magician Michael Jordan fronts High Jinx, a fast-paced mix of grand illusions, extraordinary tricks and crazy circus thrills presented direct from the world famous Blackpool Tower Circus. With his sister Siobhan he established the act in 2007, and the pair became the youngest act to win the British Ring Shield for most entertaining act at the International Brotherhood of Magicians annual convention. In 2011 they appeared on ITV's Penn and Teller "Fool Us".

The show blends magic, illusion, juggling, unicycling, escapology and stilt walking, and has played three years at The Horseshoe Show Bar at Blackpool Pleasure Beach, four years at Viva Cabaret, the Edinburgh Festival and The Happy Valley theme park in China. Every show is tailored to the venue, from theatres and cruise to corporate events and holiday parks.
