

Michael Rangel

"Close-up, stage and strolling magician"

Based in Los Angeles | Close-Up Magic | Mentalism | Stage Magic

Biography

Michael Rangel performs in three modes: a formal close-up set, strolling magic among the guests, and a full stage show. Each is built on "exquisite sleight of hand, mind reading, and captivating storytelling".

Close-up, for groups of two to 75, puts the work within inches of the audience and leaves guests carrying the magic with them as a lasting memory. The stage show is a fusion of magic, mind reading and comedy, scaled for rooms of 100 to 2,000. For a party in motion, Michael moves between guests with cards, coins and everyday items, entertaining groups from 20 to 1,000 without interrupting the flow of the evening - a natural fit for cocktail parties, weddings and birthdays.
