

Mind Bender

"Magician, Mentalist, Speaker & Live Shows"

Based in Toronto | Comedy Magic | Corporate Events | Mentalism

Biography

Mentalist, escape artist and keynote speaker Mind Bender began with a magic trick at 11 and was producing sold-out theatre shows by 15. More than 17 years later, that curiosity has carried him through over 1,000 live performances, cruise ship engagements, an invitation to perform for the Michael Jackson family at Michael Jackson's home, and a collaboration alongside Criss Angel at the Luxor Hotel in Las Vegas.

His original productions hand the show to the room: interactive mentalism, comedy and daring escapes, from a body bag to a blindfolded chain escape, so no two performances unfold the same way. He performs across Toronto, the GTA and Canada for corporate events, weddings, schools and private celebrations, and his keynote pairs live entertainment with his story of overcoming a learning disability.
