

Misty Lee

"Los Angeles illusionist and séance medium"

Based in Los Angeles | Corporate Events | Mentalism | Parlour Magic | Stage Illusion

Biography

Renowned for her saucy brand of sorcery and sophisticated stage illusion, Misty Lee is a magician, séance medium, voice actress and writer who has appeared on Penn and Teller's Fool Us and was the subject of Vice/Broadly's mini-documentary 'A Day With The Magician'. Mentored by the mentalist and illusionist Jonathan Pendragon and a graduate of Hollywood's Second City, she grounds her sleight of hand in character-based comedy and a macabre sense of humour.

Her performances draw on a personal collection of artifact oddities, antique toys and 19th century medical devices, entertaining while terrifying across stage shows, séances and hosting. As a magic consultant she has designed custom illusions for LA Fashion Week, Comic-Con International and AFLAC, and she hosts the weekly family-friendly online series Unicorn Wednesday, co-created with her longtime collaborator Bizzaro.
