Close-Up Magic | Corporate Events | Mentalism

Biography

2022 French close-up magic champion Morgan De Cecco works inches from his audience, blending sleight of hand with mentalism. A member of the Équipe de France de magie, he was awarded at the FISM European championship of magic in 2024, then represented France at the FISM world championships in Italy in 2025, reaching the final, taking the title of vice-champion of France and second prize at the Secret Sessions of Magic in Austria.

An accomplished guitarist until a conversation in 2006 turned him to magic, Morgan performs close-up sets, one-man shows, lectures and team building. He has played Mohegan Sun Casino in Connecticut and New York City, and travels across France, Luxembourg and neighbouring countries for weddings, cocktail receptions, trade shows and product launches.
