

Moxie Jillette

"A surprise family card prediction that fooled the experts"

Close-Up Magic

Biography

Moxie Jillette is a magician whose verified Penn & Teller: Fool Us appearance aired in October 2023. Performing a card-based prediction as a surprise for Penn Jillette, Moxie successfully fooled both Penn and Teller and earned a Fool Us trophy. That broadcast establishes a real, profile-eligible performer and a notable television result. Research did not find a current performer-controlled website, professional biography, public show calendar, dependable home base or booking contact. FindMagic should therefore publish only a restrained historical profile and avoid implying an ongoing commercial career or general availability.
