

Murray Hatfield & Teresa

"Victoria's acclaimed partnership of grand illusion, dance and comedy"

Based in Victoria | Comedy Magic | Stage Magic

Biography

Murray Hatfield & Teresa are a Victoria, British Columbia magic partnership combining large-scale illusion, dance, theatre, contemporary music and interactive comedy. Their official biography traces the act to 1992 and documents decades of international touring, charity productions, cruise entertainment and Magic Castle appearances. The current site offers formats ranging from smaller after-dinner programs to full stage productions, while its client record includes corporations, fairs, theatres and international festivals. Fool Us billed them simply as the Hatfields in 2017; this profile should use the performers' established professional name and retain that television billing as an alias.
