Biography

Close-up and stage magician Nick Crown has spent over 20 years entertaining guests with magic and mind-reading, and has performed for Mick Jagger, Vernon Kay and the BBC along the way.

His work ranges from strolling mix and mingle close-up magic to table magic and an after dinner mind reading show, delivered with a down to earth persona that pulls a room together rather than putting anyone on the spot. Rebooked by many blue chip companies, he is a regular at weddings, private parties, trade shows, Christmas parties and product launches across Essex, Surrey, London and Kent, and has entertained wedding guests all over the world. He holds a 5.0 Google rating based on 180 reviews.
