

Nicolas Antin

"Award-winning Honolulu magician"

Based in Honolulu | Close-Up Magic | Corporate Events

Biography

Close-up magic performed inches from the audience is the whole of Magician Hawaii, the act of Nicolas, covering Honolulu Oahu and all the Hawaiian Islands. Nothing happens on a distant stage: the magic arrives right in front of guests, whether they are standing in groups during a party or seated at their tables.

That intimacy makes it an ideal choice for virtually any audience, and something fun and a little different for a party, wedding or business event. One couple wrote after their wedding that it "made the event even more special", while the host of a Bastille Day celebration reported that the "party was a great success and people will remember this Bastille Day celebration for a very long time".
