

Nicolas Ribs

"French digital magic, mentalism and pickpocketing in energetic motion"

Based in Paris | Close-Up Magic | Mentalism | Stage Magic

Biography

Nicolas Ribs is a French magician and mentalist currently touring a public show that combines magic, mind reading and theatrical pickpocketing. His official site also offers close-up, digital magic and event performance, with an interactive style shaped for broad audiences. Television results include the final of America's Got Talent, the semifinal of La France a un incroyable talent and Penn & Teller: Fool Us. A direct phone number and email support professional enquiries across France and nearby European markets, although the site does not state one dependable current home city.
