

Nyko

"London close-up magician"

Based in London | Close-Up Magic

Biography

NYKO Magician is a London close-up magician whose "Mix & Mingle" style takes the magic straight to the guests rather than keeping it on a stage. Each visit works as a mini stage-show followed by close-up illusions at the table, and can be modified for all ages and venues.

At weddings, NYKO Magician helps break the ice during the drinks reception, moves around the round tables through the wedding breakfast, and works the room as evening guests arrive and the party atmosphere builds. A highly experienced Night-Club magician who is comfortable performing in loud and dark settings, he also covers private parties, corporate bookings, birthdays, restaurant and bar work, festivals and VIP events.
