

Oliver Bell

"Magic Circle member, sleight-of-hand comedy magician"

Close-Up Magic | Corporate Events | Mentalism

Biography

Magic Circle member Oliver Bell is a sleight-of-hand magician and comedian whose one-man show ImpossiBell blends mind reading, impossible mysteries and baffling illusions with sharp stand-up humour. He is house magician at The Magic Bar Live in Llandudno, where he headlines the show through the end of 2026.

His magic is fast, visual and audience-driven: card routines performed right under the nose, mind-reading moments and bold misdirection, carried by a high-energy stage presence. In 2023 he was booked to perform close-up card magic at the Blackpool Magic Convention, the world's biggest magic convention, and he has appeared at Venue Cymru, Blackpool Winter Gardens, The Magic Circle HQ and Rhyl Comedy Club. ImpossiBell can be tailored for theatres, comedy clubs, private events and corporate functions.
