Close-Up Magic | Corporate Events | Parlour Magic

Biography

Ondej Penika is the Czech magician best known outside the Czech Republic for Penn & Teller: Fool Us, where across four attempts he fooled Penn and Teller three times - a hat-trick shared by only four magicians in the world.

He has worked in modern magic since 1996, winning the national junior championship two years running and collecting further awards under the guidance of Swedish magician Eve'n Alan. He studied acting at the Lee Strasberg Theater & Film Institute in Los Angeles and magic at the Academy of Magical Arts in Hollywood and the renowned Magic Castle club, and designs the Butterfly range of playing, trick and marked cards. His work runs from the show 52 Lovers to corporate functions, parties and team-buildings with magic tuition, in person or online.
