

Patrick Gregoire

"Winnipeg mentalist and magician"

Based in Winnipeg | Corporate Events | Mentalism

Biography

Mentalist and magician Patrick Gregoire brings modern mind reading to corporate events, galas and private parties, blending a keen sense of observation, natural intuition and showmanship to seemingly read minds, predict behaviour and even influence decisions. He has been providing engaging live entertainment across central Canada for over 25 years.

His show weaves coincidences, predictions and humour into an experience guests describe as different, fun and amazing. Audience members become an integral part of the performance, whether they take part from the comfort of their own seats or step up on stage, and Patrick keeps the whole room involved rather than just the few who volunteer. Nobody is ever embarrassed: anyone who joins in comes out looking and feeling great, and rooms leave amazed and laughing.
