

Patrick Kurota

"Belgian magic champion, Brussels mentalist"

Based in Brussels | Close-Up Magic | Corporate Events | Mentalism

Biography

Crowned Belgian champion of magic in 2017, Patrick Kurota works somewhere between magic and mentalism - some call him a magician, others a mentalist, others a teller of impossible stories. For him magic is not an end in itself but a language, a way to leave a singular memory. With mystery, humour and complicity, he wakes the imagination and unsettles certainties.

A specialist in close-up magic and interactive shows, he tailors performances to private, cultural and corporate events, and performs across Belgium, France, Luxembourg, Spain and England, fluent in French, Dutch, English and Spanish. His creations have been published in Genii, the international reference magazine of the magic world, he has taught fellow magicians in lectures since 2022, and wrote "Akabanga, petits secrets".
