*"Chicago magic staying playful, strange and hard to classify"*

Based in Chicago | Close-Up Magic | Stage Magic

## Biography

Patrick Livingstone is an American magician presenting his work under the deliberately spare promise "Fun. Strange. Magic." His performer-controlled site publishes a Chicago-area booking phone, and the Chicago Magic Lounge includes him in its current professional roster. Livingstone's work has also appeared in venue, festival and community programs, supporting an active practice across close-up and stage contexts. The limited official biography does not justify more specific stylistic or career claims, but it does support a bookable Chicago profile. A direct public email and detailed menu of event formats remain unresolved.
