

Patrick Rettler

"NRW close-up and stage magician"

Close-Up Magic

Biography

Magic is a passion rather than a hobby for Patrick Rettler, one of the most booked magicians in NRW, who mixes traditional tricks with modern elements that catch younger viewers and adults alike.

Stand-up, close-up or live on stage, his varied programme is adapted to what his guests want, and his charming, relaxed manner turns the show into something played with the room rather than at it. His shows in Köln and other regions of NRW are an experience for anyone who enjoys illusion, whether the magic happens a few inches from a guest's hands, among standing crowds, or from the stage in front of the whole party. An evening with him is built around close, surprising moments shared with the people watching.
