Patrik Kuffs

"Montreal mentalism driven by inventive methods and mischievous comedy"

Based in Montreal | Close-Up Magic | Mentalism | Stage Magic

Biography

Patrik Kuffs is a Montreal magician, mentalist, comedian and creator with more than twenty-five years exploring original close-up and stage performance. Current industry catalogues continue to sell his full act, lectures and practical inventions, emphasizing simple direct methods, audience psychology and a playful approach that makes mentalism genuinely funny. Kuffs has performed internationally and appeared on Fool Us. Research did not locate a dependable performer-owned website, public calendar, direct current contact or explicit event-booking offer, so FindMagic should keep the profile factual and non-bookable until fresh availability is confirmed.
