*"Award-winning mentalist and anthropologist"*

Based in Las Vegas | Corporate Events | Mentalism

---

## Biography

Award-winning mentalist Paul Draper blends magic, psychology and anthropology into an evening in which he bends metal and minds. He has headlined The Magic Castle in Hollywood, The Magic Circle in London, and major Las Vegas casinos including The Venetian, Orleans and Planet Hollywood, and turned up on Inside the NBA with Shaq and Charles Barkley.

A trained anthropologist who has lectured at the University of Cambridge, the United Nations, Lockheed Martin and the World Bank, Draper reveals the hidden forces shaping behavior, culture, and influence while an audience watches its own thinking being read back to it. His show Mysteries of the Mind has wowed audiences at Apple, Yale, Disneyland and the NBA, and he shapes each booking as a keynote, an interactive workshop or a full-scale stage show.
