

Paul Robaia

"Magic Castle magician and mentalist"

Based in San Diego | Close-Up Magic | Corporate Events | Mentalism | Parlour Magic

Biography

Paul Robaia is a professional magician and mentalist whose work blends mystery, psychology and sleight of hand, and he has performed at The Magic Castle and the Prestige Magic Lounge.

His close-up magic was honed as a resident bar magician, and it shows in the way he works: personalised, conversational, inches from the people watching. The mentalism adds a second layer, using influence, intuition and mind-reading to astonish audiences and leave them questioning the very fabric of reality. Rather than a set routine delivered at a room, his performances build organic connections with the guests in front of him. Paul suits private gatherings, corporate events and intimate performances, where the aim is one unforgettable moment at a time.
