Close-Up Magic | Comedy Magic | Corporate Events | MC / Event Host

Biography

Pete Heat is a UK-based magician, comedian, TV performer and magic consultant who blends astonishing modern magic with sharp, intelligent and slightly surreal comedy - no top hats, no fake mysticism. He has taken six one-hour solo shows to the Edinburgh Fringe, all of which earned five star reviews, and he currently stars in "The Magicians Table", London's only immersive magic show.

Guests see disappearing cards, coin bending and mind reading up close, whether Pete is mingling through a drinks reception or playing to a theatre audience of over a thousand. He hosts awards nights and after-dinner shows, builds bespoke moments for brand launches, and has performed for clients from Google and Facebook to Vogue and Adidas. As a consultant, he taught Jude Law sleight of hand for his role as Dumbledore.
