

Peter Antoniou

"America's Got Talent mentalist and comedian"

Mentalism

Biography

Mind reader and comedian Peter Antoniou fuses an uncanny ability to read minds with razor sharp wit, storytelling and improvisational comedy - a craft learned from tarot readers, psychics, hypnotists, profilers and psychologists, and first sparked by a fortune-telling aunt and a simple tarot deck.

From London's West End to America's Got Talent, Peter has headlined in Las Vegas at the Venetian and the Mirage, and hosted the America's Got Talent show at the Luxor after his appearance on the series. Across 18 years of international touring he has played sold-out theatre crowds, comedy clubs, blue chip companies and royalty, building shows that pair genuine audience connection with stunning moments closer to an episode of The Twilight Zone than a conventional magic act.
