Based in Las Vegas | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

"Cynical and Senseless Sorcery" is how Pink Tie Magic describes itself: comedy, magic and mentalism from Dave Johnson and his assistant Veronica. Dave started performing magic and mentalism when he was five years old and has spent thousands of hours perfecting his art; Veronica, easily distracted by shiny objects, gets the job done" see thoughts plucked right from people's brains, memory demonstrations that would make an elephant jealous, and a fast-paced hour of audience participation and big laughs " all of it completely clean.

Dave has been described as "a very funny, very clever comic magician with a quick wit and a charming personality", and the show is built for casinos, colleges, cruise ships, corporate events and resort entertainment.
