"Israeli mentalism where music, psychology and emotion meet"

Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

Ran Gafner is an Israeli mentalist and musician who blends mind reading, close-up magic and live music into interactive performance. His official site offers corporate programs, intimate encounters and the stage production Beyond Imagination, emphasizing humor, emotion and audience connection. A direct telephone number and enquiry form support current bookings. A 2025 Jerusalem Post profile also documents Gafner performing for the international magic community at FISM in Italy. The evidence establishes Israel as his current base country, but a recurring show in Tel Aviv was not treated as proof of one home city.
