

Ray Andrews

"Colorado Springs close-up and stage magician"

Based in Colorado Springs | Close-Up Magic | Corporate Events | Parlour Magic | Stage Magic

Biography

Colorado Springs magician Ray Andrews works close to his audience, whether that means close-up magic performed right in guests' hands or a full-room stage show built from visual magic, comedy and audience participation. For Ray, magic has never been about tricks alone; it is about creating genuine reactions and bringing people together, a modern approach without the cheesy magician act.

He performs throughout Colorado, from Colorado Springs and Denver to corporate receptions, conferences, weddings, cocktail hours and holiday parties. He has also appeared on stage on many occasions at Gerry Griffin's California Magic Club in Martinez, California, where the owner credits his superb performances with a share of the dinner club's continued success.
