

Ren X

"Original mentalism and visual magic grounded in artistic inquiry"

Close-Up Magic | Mentalism

Biography

Ren X is a contemporary magician, mentalist, author and creator of original effects. A current performer-controlled link hub connects an official site, YouTube channel, the book *The Artist Who Lied* and commercial releases, while Penguin Magic maintains an active catalogue of Ren X material. That work ranges from visual ink and borrowed-phone effects to mentalism, prediction and a theatrical razor-blade routine. Ren X also appeared on *Fool Us* in 2025. Research confirms continuing creative activity but did not locate a public home base, current show calendar, direct contact or clear offer for general event bookings.
