

Reza

"Penn & Teller: Fool Us illusionist"

Based in Branson | Stage Illusion

Biography

Illusionist Reza has sold "over 1.5 Million tickets" around the world and reached "more than 150 million viewers on major television networks", with his own television specials and appearances on Duck Dynasty, Penn & Teller: Fool Us and Masters of Illusion, on networks including NBC, CBS, A&E, PBS, FUJI and Telemundo.

His current production, Edge of Illusion, sets cutting-edge, never-before-seen illusions against concert-level lighting and video production for a journey into the world of impossibility made for the whole family. Alongside grand-scale mega illusions and spectacular production elements, Reza brings masterful comedic timing and numerous interactive and inspirational moments that let the audience experience the magic first hand - a world-class entertainer billed as the world's top touring illusionist.
