

Ricardo Magic

"Chicago close-up magician and mentalist"

Based in Chicago | Close-Up Magic | Corporate Events | Mentalism

Biography

Ricardo Magic is a luxury magician in Chicago whose work centres on modern illusion and mentalism - "no colorful boxes or old clichés", but a show with a narrative, impeccable aesthetics, and a pace worthy of the theater.

Up close, the magic happens just inches away: analog miracles executed with pristine technique that blend organically into the premium atmosphere of a VIP cocktail reception, gala dinner or select private celebration. On stage, flawless demonstrations of thought reading, psychological influence, and impossible premises hold private theaters, international summits and grand gala halls. It is skill, psychology, and elegance at eye level, fusing the agility of American street magic with the sophistication of a formal salon - equally at home at corporate events, weddings and high-end private entertainment.
