Biography

Riccardo Berdini is a Los Angeles mentalist whose performances combine mind reading, psychology, music and musical-theatre experience. His current official site offers strolling entertainment, parlor and stage mentalism, a live-band magic-and-music show and keynote programs. Berdini books corporate events, weddings, private celebrations, luxury hotels, resorts and cruise lines across the United States and internationally. Before focusing on mentalism he was an award-winning Italian musical-theatre performer, a background visible in the show's vocal and narrative range.
