## Biography

Known as the Maestro of Magic, Richard Lord brings together two lifelong loves - piano and sleight of hand - in performances that blend magic, music, charm and audience engagement. He has had his own show on the Las Vegas Strip, performed at private engagements for companies including UFC, Four Seasons and the World Poker Tour, and appeared on radio and television.

His touring production Notes of Wonder fills theatres and concert halls across the United States, moving between the keyboard and close-up magic. From low-key cocktail hours to large-scale, high-production evening shows, Richard Lord fits theatre dates, corporate events, weddings and private celebrations alike - an elegant, enthralling performance from a magician who started out as the kid at school with a borrowed magic book.
