

Richard Rondeau

"Calgary family magician"

Based in Calgary | Close-Up Magic

Biography

Magic, mystery, comedy and surprise are the words Richard Rondeau uses to describe how he likes to present magic, built over 30+ years of performing in Calgary. He is a full-time professional with performing being his only job, and the majority of his work comes from word of mouth.

Richard tailors each show to the occasion: stationary shows from 30 to 45 minutes, or walk around and table magic by the hour, with balloon animals for the children afterwards and magic classes available for groups. From a children's party to a seniors' group and anything in between, he entertains the kids as well as the kids-at-heart \
