## Biography

Master illusionists Rick and Suzan Wilcox have played to packed audiences year-round since opening their 550-seat Wisconsin Dells theater in 1999, combining magic and comedy with exceptional grand illusions and a delightful on-stage chemistry.

Updated every year, the fast-paced show features original illusions delivered with easy charm and quick wit, and plenty of interaction with a crowd of all ages; afterwards, autographs and photos with the stars are a nightly routine at their magic fireplace next to the lobby. Their award-winning show is ranked the overall #1 rated Wisconsin Dells Attraction on TripAdvisor, and the Rick Wilcox Theater was named Wisconsin's best on the Reader's Digest list of "Destinations".
