

Rick Deezie

"Philadelphia-area mentalist and magician"

Based in North Wales | Close-Up Magic | Corporate Events | Kids & Family | Mentalism

Biography

Mentalist Rick Deezie is a technology leader and product manager who also reads minds on stage, fusing that background with mentalism to create intelligent entertainment. His work blends sleight of hand, psychology and sharp audience interaction into something guests describe as "smart, funny, and completely professional".

Guests do not just watch the impossible: impossible predictions, uncanny decisions and borrowed-object miracles happen in their own hands. Rick mingles through cocktails and between courses with strolling close-up magic, or takes the room for a focused 30 to 60 minute program that scales from 50 to 800 guests. Under the name DZ Magic he performs across Montgomery County, Bucks County and the Greater Philadelphia region, at weddings, award galas, sales kickoffs, client receptions and milestone celebrations.
