

Rob Anderson

"Las Vegas corporate magician and emcee"

Based in Las Vegas | Close-Up Magic | Corporate Events | MC / Event Host | Mentalism

Biography

Rob Anderson calls his approach "More Than Magic": interactive, guest-first entertainment designed to elevate an event rather than hijack it. He works up close, with magic that happens right in guests' hands and mentalism that feels as though he has just read their minds

Since 2013, hundreds of companies in Las Vegas, Washington DC and nationwide have trusted Rob for galas, trade shows and product launches. On a trade show floor he draws crowds, engages attendees and hands qualified prospects straight to the sales team, and can present a product with no magic at all. As an event emcee he introduces speakers and executives, keeps the schedule on track and holds the room's energy from start to finish.
