

Robert H. Moreland

"Savannah close-up magician"

Based in Savannah | Close-Up Magic

Biography

Performing as Magic Curator, Robert H. Moreland specializes in sophisticated close-up magic for corporate, private, and hospitality events. For more than three decades he has crafted sleight-of-hand experiences that blend storytelling, elegance, and astonishment, using his Southern charm to turn magic into a conduit for narrative rather than a puzzle designed to deceive.

As Resident Magician at JW Marriott Plant Riverside District, he creates intimate performances designed to elevate an event. Ten years performing in Orlando, Florida sharpened his work as an entertainer and speaker, and one longtime admirer calls him "absolutely one of the finest magicians working today." His close-up work suits company celebrations, private parties and hospitality rooms where guests sit close enough to see every move.
